Content Objective:	SWBAT demonstrate knowledge of unit rates by defining definitions.	SWBAT demonstrate comprehension of unit rates by using a rate table, graph and unit rate to solve problems.	Substitute teacher-detailed lesson plan will be left.	Substitute teacher-detailed lesson plan will be left.	No School.
Language Objective:	SW write to describe unit rates using the sentence stem: "A unit rate is..."	SW orally describe a unit rate using a worksheet.			
	I can write to describe unit rates using the sentence stem and IMN.	I can use the information presented in a Table, Graph, or Equation to interpret rates in real-world contexts.
